

For Immediate Release

FastManager Conversion Program Offers Great Discounts.

Industry Leader FastManager Announces Aggressive Competitive Upgrade Program.

Palm Beach, FL., Oct. 1, 2009. -- JCW Software LLC, the developer of FastManager, is pleased to announce the inception of our FastManager Conversion Program. This program is designed to make it easy and affordable for companies to convert to FastManager, the leading business management software for Apparel Embellishers.

This program provides up to 25% off the purchase of a FastManager Software License for prospects that currently use qualifying competitive shop management software. To qualify for the program you need to purchase before Oct 23, 2009, you can contact the Sales Team at FastManager to discuss your situation, @ (888)728-8717.

Greg Taylor, Owner of Coaching & Team Supply in West Newton, PA. comments; "FastManager is much easier to use and significantly faster the software we used before, the decision to invest in the FastManager upgrade was great for our company and has paid big dividends for us."

FastManager has solutions for companies of all sizes:

- FastManager Q
 - Quotation only version, allows you create comprehensive, accurate and professional quotations for Customers and Prospects.
- FastManager SMS
 - Designed for Small to Medium shops; helps manage workflow from Quotes to Orders on to Production and Delivery as well as processing Payments.
- FastManager Pro
 - Designed for Larger Shops who have different departments that they need to coordinate and schedule.

All the FastManager Products have the ability to download Supplier Catalogs from Vendors such as; Alpha, Broder, SanMar, Bodek and Rhodes, Ash City, One Stop, ACC, S&S Active Wear and many more. Having the latest information available when creating Quotes, or Placing Product Orders makes the process much more precise and accurate than other options, like paper catalogs, electronic pricelists or even online price lists.

There are Trial Versions of FastManager available at www.FastManager.com
