***Software Maintenance & Support Policy.**

FastManager Initial Purchases Includes 12 Months of Basic Maintenance; this includes all updates and upgrades to the Software as well as Unlimited Web Based Support.

In order to insure a successful implementation we agree to provide Premium Telephone Support for 90 Days from your purchase date. If you choose to upgrade to Premium Support during the 90 Days for the entire year the fee for that would be \$300. For more Details on FastManager's Maintenance and Support Plans ([Link to Overview PDF here](#))

After the first 12 months you can choose either the Basic Web Based Maintenance and Support Plan @ \$65 per month or the Premium Telephone Based Maintenance and Support Plan for \$95 per month. These plans include all updates and upgrades to the software for the duration of your subscription. We do offer discounts for Pre Payment of Maintenance Plans of 5 % for 3 months, 10% for 6 months, and 15% for 12 months.

You can see the complete Terms and Conditions for FastManager Maintenance & Support Plans Here ([Link to T's&C's PDF Here](#))
